Hello!

Thank you for considering Dogtropolis Doggy Daycare, to provide exercise, companionship and love for your best friend!

Please take time to complete our client forms and **call us at (216) 291-0605** to schedule your first day appointment with your dog. The forms must be completed in their entirety before your appointment, including having your dog's vaccination records + fecal test/HW test results **faxed to us at 216-383-2929.**

At your appointment, your dog will be introduced into our daycare with a limited number of dogs within the first hour after we open in the morning. We are looking to see how comfortable your dog is with multiple dogs in our setting.

Please note that your dog must do well on their trial daycare day with us in order to return for future visits. This is at the daycare owner's discretion, based on your dog interacting well with others in the daycare group.

We want your dog to have a pleasant experience here, and safety is of our utmost concern for your dog as well as other dogs in the group.

Thank you again for considering Dogtropolis. I look forward to meeting you and your dog!

4. Dogtropolis is not financially responsible for any harm or damage to your dog from any problem arising from your dog’s attendance at Dogtropolis.
5. Your dog will be dealt with in a manner compatible with Dogtropolis guidelines and/or at the discretion of the Dogtropolis staff.
